This week on the courts

From the courts
The Baja Classic is coming to Tres Palapas November 18?22! Presented by Homes and Land of Baja, the tournament features five days of singles, doubles, and mixed doubles, with divisions from 3.0 through Open.

As of November 9, there are over 100 registrations!

Homes and Land of Baja is providing $100 USD for the gold-medal team in every doubles division and $50 USD for the gold medalist in every singles division.

You can register even if you?re still looking for a partner! Select ?I need a partner? for your event and check ?List me as looking for a partner in this division? so other players can find you.

Women?s Doubles 3.5 on Friday, November 20, and Mixed Doubles 3.5 on Sunday, November 22, both have women looking for partners. Other divisions have players looking, too!

To connect, visit the Players Needing Partners page, choose your event, and click ?Request to partner? beside a player. Enter your name, email, and a short message. The system sends your request and emails you when they respond. Once accepted, follow the email instructions to complete any remaining registration steps and check your pairing on the roster. Your doubles entry is complete once both partners are confirmed.

Whether you?re entering your first tournament, competing for a medal, or cheering on friends, we?re looking forward to a great week at Tres Palapas!
